**RE: Region 18 800 MHz Plan Rebanding Amendment,  
General Docket No. 90-498**

Dear Mr. Furth:

I submit for consideration a plan amendment to the Region 18 800 Mhz NPSPAC Plan currently on file with the FCC to reflect the 15 megahertz shift in the NPSPAC band due to rebanding.

Enclosed you will find the list of the existing frequencies, channel numbers, and allotments as they currently are in the Region 18 800 MHz Plan, and the amended list moving the frequencies down 15 megahertz with no other change.

The Region 18 Planning Committee membership was polled by email and has approved this amendment.

If there are any questions, please contact me.

Sincerely,

William R. Vincent, Chair  
Region 18
