RE: 02-378, 06-229 Region 33 (Ohio) 700 MHz. Plan

To whom it may concern:

Please substitute the following for the current language in Section 3.2.1, page 9

Special note: Although the CAPRAD system distributes frequencies geographically by county nationwide, this does not imply that counties have ownership of the frequencies. Channels are available to all eligible Region 33 public safety entities **in that county** on a first come first serve basis.

Respectfully,

A handwritten signature in blue ink that reads "Paul M. Mayer". The signature is written in a cursive, flowing style.
