Dear Chief Furth:

Enclosed please find attached the Region #44, NPSPAC Streamline Plan Amendment. There is currently only one NPSPAC 800 MHz licensee in West Virginia. There has never been significant usage in West Virginia, and channel assignments originally made were retained. The only changes were Channel Number reassignment, in association with the new frequencies lowered by 15 MHz.

If you have any questions, please call me at (304) 637-0275 ext 300.

Sincerely,

David W. Saffel, Chair
